

MAINELY EXPERIENCES

THE ART IN THE PARK

Art in the Park is a beautifully curated outdoor experience that blends creativity, relaxation, and coastal charm. Designed for inspiration and connection, this experience invites guests to slow down, gather in nature, and create something memorable together.

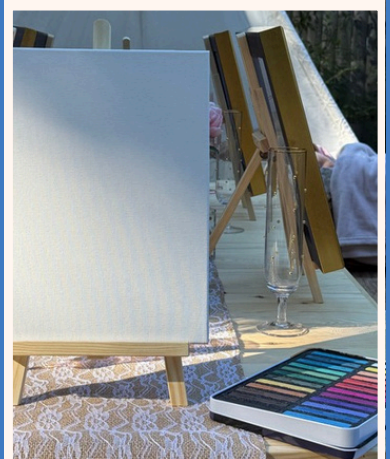

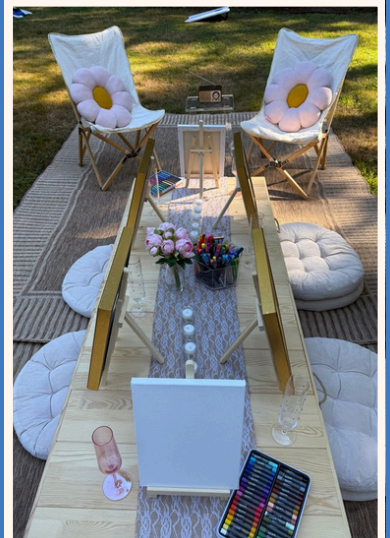

Guests are welcomed into a stylish boho-inspired outdoor lounge, thoughtfully arranged with soft pillows, cozy seating, and natural décor that creates a relaxed and inviting atmosphere. Surrounded by scenic coastal beauty or a picturesque park setting, participants can enjoy a creative session guided by their imagination.

Each guest receives an easel, canvas, and a selection of watercolor or pastel art supplies, allowing them to paint, sketch, or simply explore their creativity at their own pace. No artistic experience is necessary—this experience is designed to be fun, calming, and accessible for everyone.

During the experience, guests enjoy sparkling water and a sweet Maine-themed treat, adding a thoughtful local touch while they relax and create.

Whether celebrating a special occasion, hosting a social gathering, or enjoying a unique afternoon with friends, Art in the Park offers a memorable way to connect, create, and enjoy Maine's natural beauty.

Guests leave with their finished artwork as a keepsake of their time together.
