BRICKS, RIVER & REVIVAL: STORE OF BIDDEFORD

EXPLORE ONE OF THE MOST UNIQUE THINGS TO DO IN BIDDEFORD, MAINE WITH THIS PRIVATE GUIDED WALKING TOUR THROUGH THE CITY'S HISTORIC MILL DISTRICT, RIVERFRONT, AND REVITALIZED DOWNTOWN.

Step into the story of Biddeford—where powerful rivers, mill-town industry, and creative revival come together to shape one of Maine’s most dynamic and evolving communities.

This private walking tour explores Biddeford’s transformation from a thriving textile powerhouse to a vibrant destination filled with art, culture, breweries, and innovation.

As we walk through the historic mill district and along the Saco River, guests experience the striking red-brick architecture that once powered one of New England’s most important manufacturing hubs.

Today, these same spaces are home to local businesses, restaurants, and creative studios—blending history with modern energy and making Biddeford one of Southern Maine’s most exciting hidden gems.

Thoughtfully paced and rich in storytelling, this experience offers a deeper connection to a destination often overlooked—but full of character, history, and transformation.

The experience concludes with a sweet Maine-themed treat, offering a memorable and flavorful ending.
