SIGNATURE GAME CHALLENGE EXPERIENCE

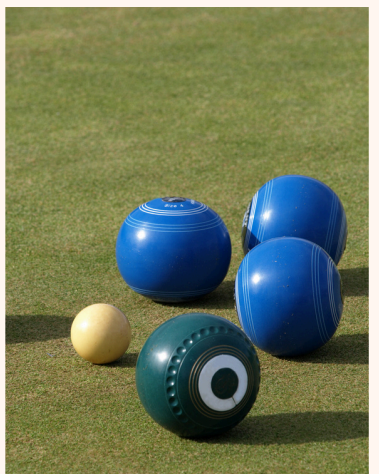

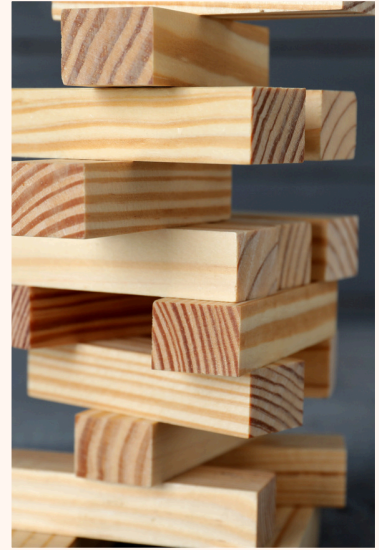

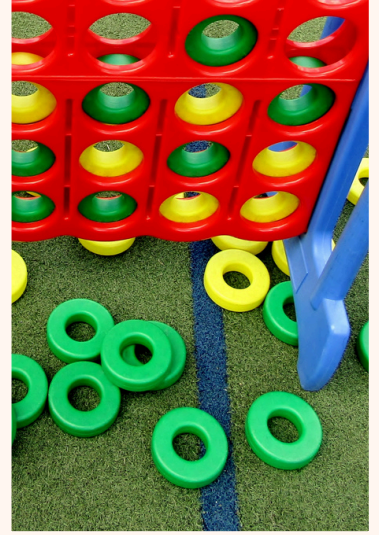

A THOUGHTFULLY CURATED, SELF-GUIDED
OUTDOOR EXPERIENCE

The Signature Game Challenge is a beautifully curated, outdoor experience designed to help families or groups, relax, connect, and enjoy time together – at their own pace.

Set at a beach, private rental property, or scenic park, this experience is professionally delivered and set up in advance by Mainely Experiences.

Guests arrive to a thoughtfully arranged game area and are free to play at their leisure.

You select three games from our **Signature Game Collection**, allowing the experience to be tailored to the ages and interests of the group. The games are set up and removed after the schedule time period, creating a seamless and worry-free experience.
