

MAINELY EXPERIENCES

GIANTS OF THE GULF

IN PARTNERSHIP WITH NEW ENGLAND ECO ADVENTURES
A WHALE WATCHING ADVENTURE

Embark on an exhilarating private whale watching adventure designed for guests who want both excitement and a refined, personalized experience on the open water.

Aboard a high-performance vessel reserved exclusively for your group, guests set out with an expert captain and crew on a scheduled journey to known whale feeding grounds in the Gulf of Maine.

From comfortable pod-style seating, guests take in sweeping ocean views while scanning the horizon for whales, dolphins, seabirds, and other marine life that thrive in these rich offshore waters.

Once whales are located, the captain skillfully positions the vessel to allow ample time for viewing and photography, offering unforgettable moments to observe these magnificent animals as they surface, feed, or breach nearby.

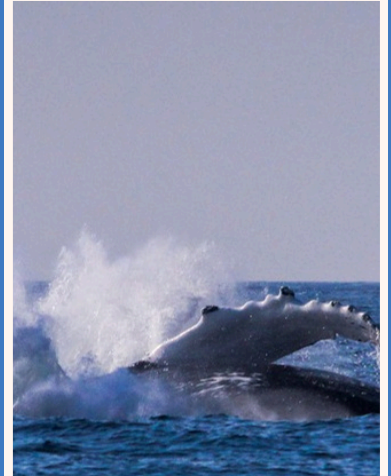

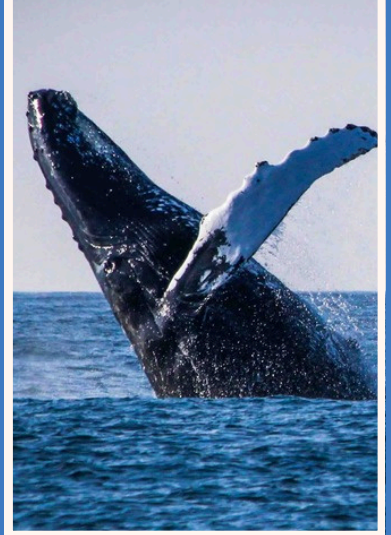

Throughout the experience, the knowledgeable crew shares insights into whale behavior, migration patterns, and the unique marine ecosystem of New England waters.

After spending time observing wildlife in their natural habitat, the vessel returns to the dock, completing a thoughtfully paced and adventure-filled outing.

Whether witnessing a dramatic breach, spotting multiple whales feeding, or simply taking in the vast beauty of the open ocean, this private whale watching excursion delivers a powerful and memorable encounter with Maine's marine life.

Elevated option - Curated Coastal Picnic Lunch

Prepared in advance, featuring locally inspired offerings and non-alcoholic beverages, designed for easy enjoyment aboard during the excursion.
