

MAINELY EXPERIENCES

EXPLORE COASTAL MAINE THROUGH THE EYES OF A LOCAL

Our Step-On Guide Service invites your guests to sit back, relax, and enjoy a fully narrated journey led by a knowledgeable local guide who joins your motorcoach or private vehicle.

From the moment your tour begins, your group will be immersed in the stories, history, and charm that make Maine such a special destination.

Each of our guides is:

- A passionate local with a wealth of information to share
- A natural storyteller who brings history and culture to life

Our service spans one of Maine's most beautiful and storied stretches of coastline from Kittery to Portland.

Whether you're planning a quick overview or a deep dive into the region, our Step-On Guide Service is designed to fit seamlessly into your itinerary.

- Tours available from one hour to full-day experiences
- Custom routing based on your schedule and interests
- Ideal for motorcoach groups, private charters, and small group travel

We coordinate directly with your team to ensure timing, routing, and guest experience are handled with care and precision.

Our goal is simple: to enhance your tour with storytelling, insight, and a warm Maine welcome your guests will remember long after the journey ends.
